DETAILED ACTION

Allowable Subject Matter

1. Claims 10-12, 20, 26 and 28-34 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or fairly suggest a vacuum processing apparatus comprising a plurality of processing chambers detachably connected to a periphery of a transfer unit; a controlling unit comprising a plurality of mass flow controlling units which respectively control feeding of gas to respective processing chambers; wherein the controlling unit is disposed between two processing chambers so that the two processing chambers are disposed in a space opposite to portions of sides of the controlling unit; and wherein the plurality of mass flow controlling devices are disposed adjacent one another in a vertical direction and are detachable from the vacuum processing apparatus as one unit. Further, no other prior art was located that provided the missing teachings along with the requisite motivation for combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
